The bidders shall check the e-GP website regularly for such updates.

The total amount of each tender will be read out. There is no provision for correction of bids once submitted online. However, multiple bids can be submitted by the bidder, in case of corrections, till the last date & time of bid submission and the most recent/ latest bid submitted before the stipulated date & time of bid submission shall only be considered by e-GP for further processing. Details of individual rates will be treated as confidential and will not be read out.

(ii) Bidders shall remit the tender document fees and EMD using the online payment options of e-procurement system only. Bidders are advised to visit the “Downloads” section of e-procurement website (www.etenders.kerala.gov.in) for detailed instructions on making online payment using Internet Banking facility of SBT or by using NEFT facility. Bidders opting for NEFT facility of online payment are advised to exercise this option at least 48 hours before the closing of the bid to ensure that payment towards tender documents fees and EMD are credited and a confirmation is reflected in the e-procurement system. The online NEFT remittance form provided by e-procurement system for making a NEFT transaction is not a payment confirmation. KSITM/NIC/SBT/LSGD shall not be responsible for any kind of delay in payment status confirmation.
(iii) The bidder shall mandatorily enclose an attested copy of his/ her valid and active Registration Certificate to the Tender Inviting Authority in an envelope. The bidder shall get the Registration Certificate attested by a gazetted officer. The envelope, containing attested copy of the valid and active Registration Certificate, preliminary agreement and tender document downloaded from site duly signed on all pages should reach the department on or before the date & time specified in NIT, failing which, the bid is liable to be rejected. The department shall not be responsible for any postal service delay or any other delay.

Bidders, who have secured exemption from individual EMD payments, need not do this except when special Earnest money is asked to be deposited. Such EMD exemption certificate/ document needs to be scanned and submitted online along with the bid, failing which, the bid shall be rejected summarily. The original EMD exemption document may have to be produced, if required, failing which, the bid shall be rejected summarily.

5. Selected bidder will be required to produce income-tax and sales tax clearance certificates before final payment is made for the work, and before security deposits released.

6. In the case of proprietary or partnership firm, it will be necessary to submit online the scanned copy of the certificates aforementioned for the proprietor or proprietors and for each of the partners as the case may be.

All bids received without the scanned copy of certificates mentioned at point 6 & 7 above will be summarily rejected.

7. The bidder shall examine closely the Madras Detailed Standard Specifications, CPWD specification, IRC specification, MoRTH specification, and also the standard preliminary specifications contained there in which is available for viewing on the e-GP website and PWD Website before submitting his tender unit rates which shall be for finished work in site. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered in to by the accepted bidder. The documents connected with the contract such as specifications, plans descriptive specification sheet regarding materials etc., can also be seen during the office days & hours in the Office of the Assistant Executive Engineer.

8. The bidder will examine the site condition and satisfy themselves of the availability of materials at nearby places, difficulties which may arise during execution etc before submitting tender for the work.
9. The bidder's attention is directed to the requirements for materials under the clause "Materials and workmanship" in the Preliminary Specification. Materials conform to the Indian Standard Specification shall be used on the work, and the bidder shall quote his rate accordingly.

10. Every bidder is expected before quoting his rate to inspect the site of the proposed work. He should also inspect the quarries and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc. where from certain materials are to be obtained will be given in the descriptive specification sheet. The best class of materials to be obtained from the quarries or other source defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specification or in this tender notice, or as required by the Executive Engineer in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the bidder after examination of the source of materials defined in the Descriptive Specification sheet is of opinion that materials complying with the standard or other specification of the contract cannot, be obtained in the Descriptive specification sheet he shall so state clearly in his tender and state where from he intends to obtain the materials subject to the approval of the Executive Engineer. The Government will not, however after acceptance of contract rate pay any extra charges for lead or for any other reasons, in case the bidder is found later on to have misjudged the materials available. Attention of the bidder is directed to the standard "Preliminary specification regarding payment of seigniorage, tolls etc.

Note:- The department does not undertake to construct or make available any approach road or other means of approach to the proposed work site and the bidder shall get acquainted with the available means of approaches to the proposed site and quote for the various items. The Department shall not be liable for any claim raised later on the plea of nonavailability or non-access to the site.

11. The bidder's particular attention is drawn to the sections and clauses in the standard "Preliminary Specification" dealing with

   (1) Test, inspection and rejection of defective material and work
   (2) Carriage
   (3) Construction plant
   (4) Water and Lighting
   (5) Cleaning up during progress and for delivery
The bidder should closely peruse all the specification clauses which govern the rates which he is tendering.

12. In consideration of the bidder being allowed to quote for the work, he should keep the tender firm for a period of months from the date of opening the tender during which period or till the tenders are decided whichever is earlier, he will not be free to withdraw the tender. Any such withdrawal will entail forfeiture of the earnest money deposited for the work.

Due to departmental or administrative reasons if it is found necessary to keep the tender open for a further period, prior consent of the bidder shall be obtained in writing for every further period of one month.

13. Before commencing work or within a week after the date when the acceptance of the tender has been Intimated to him, the bidder shall deposit a sum sufficient to make up the balance amount which together with the amount of earnest money deposited shall be treated as security for the proper fulfilment of the same and shall execute an agreement for the work in the P.W.D. Schedule Form. If he fails to do this or in the case of P.W. contracts maintain a specified rate of progress (to be specified in each case in the tender schedule) the earnest money and security deposit shall be forfeited to Government and fresh tenders shall be called for or the matter otherwise disposed off. If as a result of such measures due to the default, of the bidder to pay the requisite deposit, sign contracts or take possession of the work any loss to Government results, the same will be recovered from him as arrears of revenue, but should it be a saving to Government, the original bidder shall have no claim whatever to the difference. Recoveries on this or any other account will be made from the sum that may be due to the bidder on this or any other subsisting contracts or under the Revenue Recovery Act, otherwise the Government may decide.

14. Acceptance of the tender rests with the Tender Inviting Authority who does not undertake to accept the lowest or any particular tender.

15. The right to carry out the work in conformity with or in a manner entirely different from the terms of this invitation that may be considered most suitable before or subsequent to the receipt of tenders due to exigencies of work, is reserved with the department.
16. Schedule of quantities, specifications of work to be done and conditions of contract to be entered into can be seen on the e-GP web site. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of the schedule, that the schedule is liable to alteration by omissions, deductions or additions at the discretion of the competent departmental officer or as set forth in the conditions of contract. The bidder will however base this tender amount in the case of lump sum tender on the basis of those quantities, etc.

17. Tender forms and general specifications can be downloaded free of cost from the e-GP website. Tenders not submitted in such prescribed online format or submitted incomplete in any respect whatever such as unattested errors and corrections in rates, quantities, units or amounts (figures not expressed in words), totals of contract not entered, etc, shall be summarily rejected.

18. The earnest money deposit of the unsuccessful bidders will be refunded immediately after tabulating tenders, keeping only the earnest money of the first 2 lowest tenders via electronic media. The Earnest Money Deposit of the remaining unsuccessful bidders will also be refunded within a week from the date of acceptance of the tender via electronic media.

19. Solicitors fee, if any, to be paid to the Law Officers of Government for scrutinizing or drawing up of agreements- will be paid and the same recovered from the successful bidder.

20. In case of any additional remarks the bidders must attach/upload a PDF file along with online bid. If they are prepared to carry out at their tendered rates such portion or portions of the work as may finally be allotted to them by the Officer deciding tenders.

Note:- The Department reserves the right to allot such portion of the work included in the tender at the rates quoted by the bidder in the absence of specific noting by the bidder to the contrary against clause 4 on page 5 of tender (G W. D-Form 84). Such allotment shall not vitiate the acceptance and the bidder shall indemnify Government against any loss to Government, due to failure on the part of the bidder to carry out such portion of the work allotted to him at the rates quoted by him.

20. (a) The successful bidder will have to carry out 25 percent more of the estimated quantity of every item at his agreed rates.

The Contract is bound to carry out sinking of wells increase up to 10 meter (ten meter) extra depth beyond the estimated design depth and rate for which shall be paid as per
schedule of rate and extra item conditions. In case of pile foundation, precast or cast in site, in the same conditions as above shall apply.

21. Any further information necessary can be obtained at the office of the tender inviting authority on all working days during office hours.

22. The work should be completed in all respects in 25 days either from the date of handing over the site or from 10th day of agreement whichever is earlier.

Executing agreement for the works will be made within the time limit prescribed as follows:

1. The time limit allowed for executing the agreement without fine will be 7 days (Seven days) from the date of acceptance of tender. Acceptance of tender rests with Technical Sanction authority.

2. Further time of 10 days will be allowed to execute an agreement by realizing fine of 1% of the P.A.C subject to a minimum of Rs.1000 (Thousand Only) and maximum of Rs.25,000 (Twenty Thousand Only).

3. Tenders will be rejected, if agreement is not executed within 24 days and work will be awarded to the next lowest bidder, as per rules.

4. The bidder will take over the charge of the site within 10 days after executing agreement and commence the work.

23. Payment on lump sum basis or by final measurement at unit prices:

(a) Final measurements need not be taken unless either the bidder or the Executive Engineer claims extras to or deductions from the quantities of Schedule A.

(b) In case final measurements are claimed, they shall be taken only for those items for which either the bidder or the Executive Engineer claims final measurements and the quantities of the remaining items in Schedule A shall be accepted as correct. The lump sum amount mentioned in the agreement will then be varied by addition there to or deducting there from as the case may be the difference (if any), between the amounts mentioned in Schedule A for such items and the amounts arrived at by calculation at Contract rates based on the revised quantities for the same obtained by the final measurement aforesaid.
Amendment: When payment on earth work exceeding 300 M$^3$ are made based on the tape measurements, the bidder shall give a declaration in writing to the effect that he agree for the recovery of the over payment, if any, from the next bill.

(c) It shall be accepted as a condition of the contract that the payment of the final bill to the bidder less the withheld amount and his acceptance thereof shall constitute a full and absolute release of Government from all further claims by the bidder under the contract.

(d) Payment for additions and deductions for omissions.

No authorised variation shall vitiate the contract but additions and omissions shall be measured and dealt with in accordance with clause 23 (b).

(e) Items of work not expressly or impliedly described in the schedule, plans or specifications will be treated as 'extras'. They will include only items of works which through highly necessary for the proper execution of the work and for its completion, were not provided for in the original contract.

(1) The execution of an extra item of work and payment therefore will be based on the following conditions:-

(i) There shall be an order in writing to execute the extra item of work duly signed by an Engineer not below the rank of an Assistant Engineer before its commencement.

(ii) If the bidder finds, after examining the specifications and plans that extras are involved, he should give notice to the Engineer to this effect and shall proceed with the execution of the extra item only after receiving instructions in writing from Engineer.

(2) Extra items may be classified as additional substituted or altered items, depending, on their relation or otherwise to the original item or items of work.
