ONE DAY TRAINING PROGRAMME ON ECO RESTORATION ORGANISED BY IWDM-K, CHADAYAMANGALAM FOR STUDENT POLICE CADETS OF GOVT.H.S.S, KADAKKAL ON 03.05.2017

Department of Soil Survey & Soil Conservation has been pioneering the cause of natural resource conservation in the state through conceptualisation of various soil and water conservation programmes. The Department aspires to spread the message of the need for resource conservation through various capacity building initiatives undertaken through the training institute of the Department viz. Institute for Watershed Development & Management -Kerala, Chadayamangalam.

As part of the extension activity of IWDMK a one day training programme on Eco restoration was organised by the Institute for Watershed Development & Management -Kerala, Chadayamangalam for student police cadets of Govt.HSS, Kadakkal on 03.05.2017.
